Quotation #15326

Mr. Bob Esser
Sigma Equipment
besser@sigmaequipment.com

Dear John and Bob,

Rowlands is pleased to submit the following proposal for your review and consideration.

Other than the items listed below, Rowlands wishes to no bid the remaining items listed in Sigma's May 4, 2016 Equipment Wanted Email.

PROJECT SCOPE #1 (John's Request)

To provide a quotation for a 150 gallon jacketed tank.

One (1) - P-433-B, Mueller Model PCPC 150 gallon cone bottom pressure wall processor. Center bridge with lift top covers. 4" ANSI flange outlet. 50 PSI jacket on bottom cone only. Serial Number - 165513-4. **Used - "Reconditioned"**

PRICE:\$ 8,500.00
LESS 10% RESALE DISCOUNT

PROJECT SCOPE #2 (Bob's Request)

To provide a quotation for two (2) 2,000 gallon carbon steel tanks.

NOTE: The tanks offered below are stainless steel, but are only suitable for non-sanitary use, therefore, I thought you may be interested in these as a possible solution (subject to details of required usage).

One (1) - P-037-B, Crepaco 2,000 gallon dome top pressure wall processor. Wide and side sweep agitator with baffle. Sprayball. 3" clamp outlet. Interior sidewall implosion, non-sanitary use only. Serial Number 2000-9578.
Used - "Reconditioned"

PRICE:\$ 14,500.00
LESS 10% RESALE DISCOUNT

One (1) - P-038-B, Crepaco 2,000 gallon dome top pressure wall processor. Wide and side sweep agitator with baffle. Sprayball. 3" clamp outlet. Interior sidewall implosion, non-sanitary use only. Serial Number 2000-9579.
Used - "Reconditioned"

PRICE:\$ 14,500.00
LESS 10% RESALE DISCOUNT

NOTE: Reconditioning of processing tanks includes stripping and painting of painted surfaces, pressure testing of heat transfer area, flooded water testing of atmospheric vessels, complete teardown and repair of agitator drive systems, elastomer/seal replacement, cosmetic polishing as necessary of stainless steel surfaces, rebuilding of outlet valves, and loosening of all adjustable legs. Loading on a flatbed carrier is included in the purchase price.

F.O.B.: Hazleton, PA and subject to prior sale

Terms: 50% Down Payment of the Gross Sales Total with Confirming Purchase Order; Remaining Balance due Upon Notification of Ready Shipment.

Delivery is approximately ten (10) to twelve (12) weeks after receipt of Down Payment and Purchase Order.

Export Terms: Export documentation and/or irrevocable letters of credit may require a service fee. All banking fees are the responsibility of the customer. Export packing may require an additional preparation fee.

Delivery must occur within twenty-one (21) days after notification by Rowlands of ready shipment. If delivery does not occur within twenty-one (21) days after notification of ready shipment, then Rowlands reserves the right, at its discretion, to cancel the order, re-sell the equipment, and/or charge for demurrage.

Customer Deposits or Customer Down Payment prior to the final billing, are computed on the Total Gross Sales amount and under no circumstances are they subject to any Dealer, VAR, OEM, or Resale Discounts. All of those discounts are reflected on the Final Invoice.

All Dealer, VAR, OEM, and Resale Discounts are based upon prompt payment and are subject to revocation thereafter.

All skidding or crating is subject to additional charges. Skidding and banding, domestic crating, or export packing are an additional 1%, 2%, or 3% of purchase price, respectively. Tanks, pumps, and small miscellaneous items are excluded.

This quotation is valid for a period of 30 days from the date hereon and may be withdrawn at that time for price validation.

Should you wish to learn more about Rowlands, please feel free to visit our Website on the Internet at www.rowlands.com and experience the . . . **Rowlands Difference!** We are as close as a keystroke away. Look us up!

Please call me if I can be of any assistance or feel free to send me an e-mail at nbonar@rowlands.com with any of your Company's needs.

Sincerely,

ROWLANDS SALES CO., INC.
